BURNETT'S EVERAL distinguished moderal gentlemen have lately a published papers showing the officery of this simple sensels in removing COUCHE, INVLITIONS, REGIN. CHILLY, and other critising diseases of the around and image. It is important not only that the oil chemich is pure, but that it should be propored from FRESH and HEALTHY LAVIES, as that which is stale or impore to out only motified, but highly repairment, treating the displace of the propers.
